LBS - Language & Business Services was founded in 1996 by the current owner and manager Ms. Y. He. Since then LBS has expanded into a very successful company that specialises in the Asiatic market, with particular focus on China. Besides (Simplified and Traditional) Chinese, we are specialized in Japanese, Korean, Vietnamese, Dutch and English.

Quality, service and strict confidentiality are our basic principles and form the most important guidelines for all our translation projects.

We provide the following services:

- (sworn) translations
- Interpreting
- DTP-typesetting
- websites
- subtitling
- voice-over
- software localisation
- Guiding delegations
- Training
- Correction work

***We don't translate what is on the paper. We read between the lines.***
